

Michael Lynch

Since 2018 Michael Lynch oversees as Chief Financial Officer the division of finance and accounting at RDG. He is responsible for all financial aspects of the business and board reporting as well as business development, M&A activity and debt fundraising.

Since 2013 **Vice President E&P Business Development** , *Petroleum Equity LLP*

- Beside its position as CFO of RDG he worked on distressed acquisition of the UK portfolio of ATP Oil & Gas UK (renamed Alpha Petroleum) through a complex cross-border insolvency; responsibilities included all financial and tax modelling, preparation of investment memo and valuation of the portfolio.
- E&P Credit Strategy
Identified and sourced a pipeline of E&P credit investments from direct lending opportunities to secondary loans and distressed debt transactions.

From 2012 until 2013 **Corporate Securitisation Associate**, *Standard & Poor's*

- Analysed and assigned credit ratings for corporate and whole business securitization transactions in the infrastructure, leisure and pub sectors.

From 2008 until 2012 **Associate**, *Citi Credit Opportunities Group*

- His main responsibilities included creating dynamic financial models, reviewing diligence and industry reports, preparing investment memos and assisting with legal documentation.

He graduated from University Navarra and Pompeu Fabra, in business administration and financial economics.

The RDG represents the next generation of energy companies. Our core business unites sustainability and social responsibility in E & P activities – for the local resources of tomorrow, renewable energies in the region and the protection of the environment.

As a growing high-tech company, we are specialized in the optimization and development of existing production sites towards a sustainable and economic environmentally compliant production. As experts within this field, our strategy includes the potential of renewable energies right from the beginning. We are expanding our portfolio constantly.
